

Training Voucher Program Details

Freewater is happy to offer a pre-paid training voucher program.

Pre-paid training vouchers are a flexible solution for your company. Training vouchers can be purchased in the amounts of \$10,000, \$15,000, \$20,000 and \$25,000.

Pre-paid training vouchers give you the best solutions for your company. They help with varied employee schedules and operational commitments. It's convenient and requires less paperwork for each registration.

Names may be submitted up until the week before the class start date! Simply register the quantity of seats you'd like for a class and provide the names up until the Friday before class begins.

Pre-pay voucher prices can be discounted also! You'll receive special discounted pricing throughout the year. The more registrations you have per class the larger the discount.

You will have the ability to attend the course of the same version at no cost (referred to as 'audit') for up to 1 year in the event you do not pass the certification exam.

Many exams have a retest voucher at no cost when the full course is attended. (I.E. Security+, CEH, Linux+, Server 2012, etc.)

Practice exam server access is available for 1 year from class start date.

There will be NO expiration date on funds if the account has regular activity. If, for example, a \$20,000 voucher is purchased and only \$9,500 is used, you will have the remaining \$10,500 to use at any time. If the account becomes 'dormant' for 1 year, the funds will expire. We make every effort to contact the client as the 1 year approaches and the funds are in danger of becoming expired.

Please contact Freewater for more information. We look forward to working with you!
